This six-bedroom villa-- complete with six spa-like baths is the perfect retreat. While your villa appears to be classic Renaissance from the outside, it has the ambience of a contemporary residence with features including oversized wood-burning fireplaces, library for personal reading or group discussion, private gym with modern aerobic machines and weights, and private outdoor dining terraces for afternoon or evening escapes. An ultra-modern kitchen with state-of-the-art appliances and modern communication conveniences, including wireless Internet, fax, flat-screen TVs and sound system are available in your villa.
