## TUSCANY

**FROM SIENA:** There are two different options, the first is a motorway, the second is a more scenic route. The scenic route is stunning but is only for the most confident drivers!

### Motorway Route:

- Take the E78 towards Rapolano Terme/Perugia.
- At Bettolle, exit and travel on the A1 going south towards ROMA.
- Exit at CHIUSI-CHIANCIANO TERME, after paying the toll (they accept credit cards).
- Follow the road 100 mt and turn **left**, in the direction of SARTEANO.
- When you arrive in Sarteano (6.7 km from the toll booth), go straight through the roundabout. After passing the only traffic light in town and after 200 mt, turn **left** towards CASTIGLIONCELLO DEL TRINORO. (More details are in the Autostrada directions above).
- Follow the road out of town and after 4 km, turn **right** onto a gravel road.
- After about 2 km, you'll reach the village of Castiglioncello del Trinoro.
- Drive towards the center of the village and take the little road up on the **right**, following the square, wooden "Monteverdi" signs.
- You will find the Concierge on your **right**; please stop in front of the office and our staff will take care of you!

### Scenic Route, for the adventurous driver:

- Take the SS2 (or SR2) CASSIA south out of SIENA. Keep following signs for ROMA. The road winds through the Tuscan countryside, passing the towns of Monteroni, Buonconvento, and Torrenieri.
- After 40 km, you will reach the town of SAN QUIRICO D'ORCIA.
- Approximately 5 km after San Quirico, turn **left** onto the SP53 and follow the signs towards Chianciano (if you reach the turn to BAGNO VIGNONI, you have gone too far!).
- Follow this road straight through a 4-way intersection and follow the signs towards CHIANCIANO.
- After 5km from the intersection, go underneath an overpass.
- Take the **left** ramp that will take you to the road that goes towards La Foce. (Follow signs for the A1 Autostrada and CHIANCIANO). The road begins to wind up the hill.
- After 4 km, you'll see the restaurant DopoLavoro La Foce on your left.
- After passing the restaurant, turn **right** at the first street on your right. You will see a brown sign that say "Loc. La Foce" in front of you. Follow directional signs toward CHIARENTANA.
- You are 6.5 km from Castiglioncello del Trinoro. Stay on "STRADA DELLA FOCE E DELLA FORNACE".
- After 800 mt., you will see a small cemetery on your left, and after 1.6 km, Villa CHIARENTANA, will be on your right. Stay on the tree lined cypress road.
- After another 1.8 km, you will find a large, rectangular sign that says "Attenzione. Strada di Montagna, Procedere con cautela". It is a sign that invites drivers to be cautious, and the road becomes steep and a bit rough at times. DO NOT turn right towards Torre Tarugi!
- After another 1.3 km, you will find the same warning sign. This is another tricky point if you use a GPS: Do NOT turn right.
- Travel another 1.6 km and you will see the parking area for CASTIGLIONCELLO on your right. Do not enter the parking lot, but continue on this road as you will need to go around Castiglioncello for 500 mt. as the roads in Castiglioncello are one-way.
- Turn **right** into Castiglioncello, towards the center of the village.
- At a fork, take the little road up on the **right**, following the square, wooden "Monteverdi" signs.
- You will find the Concierge on your **right**; please stop in front of the office and our staff will take care of you!
