A New Spa at Monteverdi Tuscany

Situated in the Tuscan village of Castiglioncello del Trinoro, the Monteverdi Tuscany debuted their new spa and wellness retreat on June 1. The spa's services include mineral and wine baths, customized massages, and Tuscan

herb facials. The spa incorporates products by Florentine company Faramaceutica di Santa Maria Novella, which uses recipes that date back centuries. In the fall, Monteverdi will host a Wellness & Longevity Seminar focused on aging, holistic medicine, music therapy, and yoga.
