

Cookie Policy

Monteverdi Residence Club LLC (hereinafter, “Monteverdi,” “us,” or “we”), with its registered address at 201 East Fifth Street, 1730 PNC Center, Cincinnati, OH 45202, hereby notifies you that it uses cookies on the websites and mobile applications operated and controlled by us from which you are accessing this Cookie Policy (collectively, the “Site”).

This Cookie Policy provides you with information about what cookies are, what types of cookies are used on our Website, and how you can configure or disable them.

1. What is a cookie?

Cookies are files containing small amounts of information which are saved on your device when you visit a website or application. Their main purpose is to identify your device each time you access the Site, and also to enable quality improvements and better user experiences on the Site. For example, cookies enable us to secure your access to the Site, to resolve potential errors in operation of the Site, and allow you to share content from the Site on social media. We can also use them to serve ads to you that are relevant. Our Site links to third party websites (including, for example Facebook, Twitter and YouTube). These third-party websites may also use cookies over which we have no control. We recommend that you check the relevant third party's privacy policies for information about any cookies which may be used.

2. What types of cookies do we use?

The cookies used are either stored on your device for a specific period, as “session” cookies (which expire when you leave the Site) or “persistent” cookies (which have a longer expiry period). A persistent cookie stays on your browser and will be read by Monteverdi when you return to our Site. To learn more about cookies, please visit <http://www.allaboutcookies.org>. The cookies used on the Site are:

Strictly necessary	These cookies are essential to help you move around the Site, access secure areas of the Site, and generally make the Site work properly.
Functional	These cookies allow the Site to remember choices you make and any customizations you make during your visit and provide enhanced, more personal features.
Advertising	We may use cookies to show you relevant advertising both on and off the Site. These cookies collect information about your browsing habits on the Site in order to make advertising both on the Site and other websites you subsequently visit relevant to you and your interests, to limit the number of times those ads are served to you, and to help measure the effectiveness of advertising campaigns.

Performance,
Analytics and
Research

Cookies help us learn how well our Site performs. These cookies do not collect information that identifies users. All information these cookies collect is aggregated and therefore anonymous. It is only used to improve how the Site works.

See our **Cookie Tables** at the end of this Cookies Policy to see the specific cookies we use.

3. What choices do I have to avoid cookies?

You can visit <https://tools.google.com/dlpage/gaoptout> for information on how to opt out of Google Analytics cookies.

You can refuse our use of some or all cookies by turning off the use of cookies in your web browser. If you use your browser settings to block all types of cookies you may not be able to access all or parts of our Site or functionality may be limited.

You can set your browser to notify you before you receive a cookie, giving you the chance to decide whether to accept it. You can also set your browser to turn off cookies.

Changing your internet browser settings can prevent the use of cookies. Each browser has a different procedure for disabling the use of cookies. The Help function within your browser should tell you how. Alternatively, you may visit <http://www.aboutcookies.org> where you can review information on how to control cookies on a variety of browsers. You will also find details of how to delete cookies from your computer and other general information about cookies. If you use more than one device, you should renew your opt-out choices on each such device.

We do not track your behavior across third party websites. Our Site currently does not respond to “Do Not Track” (DNT) signals and we operate as described in this Privacy Notice whether or not a DNT signal is received, as there is no consistent industry standard for compliance.

4. Cookie Tables

Cookie Domain/Browser	Identify Each Cookie	Webpage Where Used	Purpose of Cookie	Information Collected	First Party or Third Party ?	Expiration	How to Opt Out
